Dear Prospective Sponsor,

The True Grit Saddle Club works with the Grand Rapids FFA Alumni and Supporters to put on a horse show series each summer. We started the True Grit Scholarship Horse Shows in 2015 to raise money for a scholarship in honor of a past Grand Rapids FFA member. This Grand Rapids FFA Alumnus has not been able to participate in equine activities due to suffering a traumatic brain injury. He was instrumental in the success of the first GRFFA Horse team to finish first in the MN State FFA Horse Career Development Event (CDE). He is also a former GRFFA president.

Since our first show in 2015, we have been able to give away thousands of dollars in scholarships to graduating seniors of the Grand Rapids FFA chapter who are enrolled in a degree, a certificate program, or continuing their education. 100% of the proceeds of our horse show and saddle club go towards these scholarships. This year we will be putting on our 11th and 12th scholarship horse shows and our fourth show series as a recognized WSCA Saddle Club. There are lots of exciting things happening this year.

Our shows rely heavily on volunteers and sponsorships. We are currently looking for sponsors for our 2024 show series. This year's dates are June 7-9th and July 12-14th. In return for sponsorships, we offer multiple advertising opportunities for all our sponsors during our show series. Check out the table below for more information on sponsorship levels. Each event includes a Friday night barrel race and a two day full WSCA show.

Please consider sponsoring these events. We are extremely grateful for any and all support! Check out the attached sponsorship form for more details. We hope you can contribute and we thank you for your time and consideration.

Sincerely,

The True Grit Saddle Club and Grand Rapids FFA Alumni and Supporters
